Cecil – DOJ has asked for staff comments on this back by COB Wednesday at which time they will turn around another copy by COB Friday for management review. They want management comments by COB Monday since we have to file by 5.27. I didn't want to leave you with such a short window of review time so am forwarding now for you to decide if you want to review it without staff comments or wait until Wednesday. Please advise and thanks.

Hi all,

I have attached a working draft of the opposition brief for your review. Please note that the document will be proofread and cite-checked in the future, so please focus your review on the overall substance at this point. Ex. 5 Attorney Work Product (AWP)
